per button
squeeze

CeQur Simplicity™

3-Day Insulin Patch

Dose Count Card

**1 squeeze
= 2 units**

IMPORTANT

- The first squeeze of buttons for a new patch delivers 0.3 units short of 2 units.
- If buttons lock during a dose, the last squeeze of the buttons may deliver less than 2 units.
- If uncertain about your delivered dose, stop and check your blood glucose in 1 to 2 hours.
